Dear Judge Preska;

I am the above mention plaintiff in the application for Contempt for Violation of the Consent Decree, Milburn v. Coughlin. Respectfully I am requesting for an Order granting plaintiff access to the necessary Law Library time.

You Honor provided plaintiff with a Pro-Bono assistance of counsel for incoming pre-trial conference on May 11, 2010, and an evidentiary hearing for May 26, 2010. Plaintiff needs the access to the law library in order to do the proper legal research and to copy any necessary documents, which they have to get done in person at the library.

Due to plaintiff filing the consent decree violation, his normal weekly access to the facility law library was reduced from 5 days 2 1/2 hours per week to 1 day 2 1/2 per week, which is insufficient for plaintiff in order to prepare for the hearings.

Plaintiff provide the facility law library supervisor with a copy of the Court's Scheduling Order dated 3-3-2010, which indicated the schedule Court dates. Plaintiff request for more than one day por week but his request was denied because the scheduling Court Order donot point out that plaintiff had to be provided with access to the law library. Plaintiff is trying to avoid filing any additional grievances, complaints for interference with plaintiff's access to the Court and Tools.

Your Honor, thank you again for your time and consideration with this request.

Sincerely;

*John Vera Moreno*
